Re: Docket No. DW 19-084
Pennichuck Water Works, Inc. –Rate Proceeding
Compliance Tariff Filing – Tariff Pages 43, 44, 45, and 47

Dear Director Howland:

Pursuant to the Commission's Secretarial Letter dated March 17, 2020 concerning temporary electronic filing requirements during the pandemic and pursuant to Order No. 26,373, as well as Puc 1603.05(b) and Puc 1603.02(u), enclosed please find Pennichuck Water Works, Inc.'s track-change and clean temporary rate compliance tariff pages 43, 44, 45, and 47.

Please note that Pennichuck Water Works, Inc.'s tariff reflected on the Commission's web site is not up to date concerning tariff page 45. That page was changed in Docket No. 18-076. Consequently, the track changes reflected in the attached compliance tariffs for page 45 reflect the changes from tariff page 45 filed in DW 18-076, not the page 45 reflected on the Commission's web site. We wanted to bring this to Staff's attention when it conducts its compliance review of this filing.

Thank you in advance for your assistance with this filing and for updating the Company's tariff on the Commission's website.

Very Truly Yours,

A handwritten signature in black ink that reads "Marcia A. Brown".
