Reply to Office of the Consumer Advocate Objection

Dear Director Howland:

Enclosed please find the electronic copy of Pennichuck Water Works, Inc.'s request for leave for reply and reply to the Office of the Consumer Advocate's objection to the Company's motion. The Company seeks to provide the Commission with additional factual information concerning the Company's COVID-19 response activities. These activities add pressure to the Company's financial situation, thereby further warranting temporary rates. Thank you in advance for your assistance with this filing.

Very Truly Yours,

A handwritten signature in black ink that reads "Marcia A. Brown".
