Re: DW 19-084 - Pennichuck Water Works, Inc.  
Proposed Recoupment Surcharges and  
Motion for Protective Treatment

Dear Director Howland:

Pursuant to the Commission's temporary electronic filing requirements, and pursuant to Order No. 26,425 and Secretarial Letter dated December 30, 2020, Pennichuck Water Works, Inc. (PWW) hereby re-files its:

- (1) rate case expense documentation,
- (2) motion for protective treatment of certain rate case expense documentation,
- (3) proposed temporary-permanent rate recoupment documentation, and
- (4) proposed tariff supplement pages containing proposed surcharges

The Commission brought to our attention that the January 15<sup>th</sup> filing contained an error in the heading title of pages 71-104 which referenced an incorrect docket number: "DW 19-081". The affected pages have been corrected to reflect this case's docket number "DW 19-084".

Thank you in advance for your assistance with this filing. If you have any questions, please do not hesitate to contact me.

Very Truly Yours,
