Re: DT 19-093, Teleport Communications of America LLC  
Waiver Request to Obtain Growth Numbering Resources in Dover, NH

Dear Mr. Huttenhower:

On May 14, 2019, Teleport Communications of America LLC (TCAL) requested that the Commission grant a "safety valve" waiver of Somos, Inc.'s (Somos) decision to deny TCAL's request for a thousands-block number assignment in the Dover, New Hampshire rate center meeting specific requirements.

Commission Staff (Staff) reviewed the filing and determined that sufficient and satisfactory numbering resources exist in the Dover rate center to meet TCAL's requirements. In a memorandum filed on May 15, 2019, Staff recommended that the Commission notify Somos to assign numbers pursuant to TCAL's request.

Accordingly, the Commission has granted TCAL's request for a "safety valve" waiver, pursuant to its authority under 47 C.F.R. §52.15(g)(5), based on Staff's recommendation. The Commission directs Somos to assign a thousands-block of numbers in the Dover rate center to TCAL that meets its requirements.

Sincerely,

A handwritten signature in blue ink that reads "Debra A. Howland".
