

PRELIMINARY DESIGNATION FOR CLASS I-THERMAL RENEWABLE ENERGY CERTIFICATE (REC) ELIGIBILITY

The Commission received and Staff reviewed the North Conway Memorial Hospital request for preliminary designation as a Class I-Thermal Source for the 3.924 megawatt (MW) equivalent biomass facility installed at the North Conway Memorial Hospital, 3073 White Mountain Highway, North Conway NH. Based on Staff's recommendation, the Commission hereby grants preliminary designation to the North Conway Memorial Hospital biomass facility as eligible for Class I-Thermal REC production, contingent upon the submittal of a complete application and the installation and operation of metering equipment using the approved alternative metering method described in docket REC 19-103 and submission of all required metering documentation.

Class I-Thermal RREC # 18-0492

NEPOOL Unit Name	Address	Town/City	Zip
North Conway Memorial Hospital	3073 White Mountain Highway	North Conway	03860

MW* equivalent	GIS Facility Code	NH Certification Number	Independent Monitor
3.924	NON58396	Granted upon approval	GWA Research, LLC

* The rated thermal heating capacity of the facility is 13,390,000 btu/hr. $13,390,000/3,412,000 = 3.924$ MW

June 07, 2019

Date

A handwritten signature in cursive script, reading "Debra A. Howland".

Debra A. Howland
Executive Director
