Re: DG 19-126 Letter Regarding Supplemental Filing

Dear Director Howland:

On January 13, 2020, the Executive Director issued a Secretarial Letter granting Northern Utilities, Inc.'s assented-to motion to suspend the procedural schedule and allow for a supplemental filing to be made by January 31, 2020. The Company continues to work on its supplemental filing and requested the assent of the parties for additional time to submit the supplement after the January 31, 2020 date. All parties assented to the additional time. The Company will submit its supplemental filing as soon as practicable.

If you have any questions, please do not hesitate to contact our office. Thank you.

Sincerely,
