RE: Docket No. DW 19-131 – Omni Mount Washington, LLC  
Complaint against Abenaki Water Company, Inc. – Rosebrook Water Division  
Staff Report on Technical Session

Dear Executive Director Howland:

Pursuant to the procedural schedule in the above-mentioned matter, the Commission directed Staff of the New Hampshire Public Utilities Commission (Staff) to file a report by April 16, 2020, regarding the technical session on April 8, 2020.

Five participants attended the virtual technical session; Omni Mount Washing Hotel, LLC (Omni); Abenaki Water Company, Inc. (Abenaki or the Company); Paul Mueller, on behalf of the Bretton Woods Property Association (Bretton Woods); the Office of the Consumer Advocate (OCA); and Staff (collectively the Participants). At the conclusion of discussions, the Participants agreed that Staff would submit this report stating that both Omni and Abenaki require additional time to update prior discovery responses and answer technical session data requests. The additional responses and time will allow the Participants to review the information and better inform the commission on the forthcoming procedural steps.

As such, Staff, on behalf of the Participants, respectfully requests that the Commission allow Staff to submit an additional status report by April 24, 2020, which will also provide a proposed procedural schedule.

Thank you for your attention in this matter. Do not hesitate to contact me if you need anything further.

Sincerely,

/s/ Christopher R. Tuomala
