Re: DW 19-131 Complaint of Omni Mount Washington Hotel, LLC
Abenaki Stipulation Regarding Material Facts

Dear Director Howland:

Pursuant to the Commission's Secretarial Letter dated March 17, 2020 concerning temporary electronic filing requirements during the pandemic and the Commission's July 15, 2020 approved procedural schedule, attached please find for filing Abenaki Water Company, Inc.'s list of proposed stipulated facts. Omni Mount Washington, LLC, the complainant in this matter, does not join in these facts.

Therefore, in order to meet the deadline for filing such facts and to facilitate next weeks' hearing by at least articulating what material facts Abenaki believes are in dispute or should be agreed to, Abenaki is filing the attached proposed stipulation of facts. Abenaki also notes that while the Commission's procedural schedule requested disputed facts, it has been customary in other dockets that parties produce not only disputed material facts, but agreed-to material facts. Therefore, Abenaki's filing contains both.

Thank you in advance for your assistance with this filing.

Very Truly Yours,

A handwritten signature in black ink that reads "Marcia A. Brown".
