**DOCKET NO. DE 19-133**

Petition for Intervention

Pursuant to the Order issued on August 30, 2019, by the New Hampshire Public Utilities Commission (the “Commission”) in the above-captioned docket, N.H. Admin. Rules Puc 203.17, and in accordance with the standards of RSA 541-A: 32, Clean Energy New Hampshire (“CENH”) hereby petitions for leave to intervene in this proceeding. In support of its Petition, CENH states the following:

1. CENH is a statewide nonprofit organization, which educates and advocates for sustainable energy in New Hampshire. It has residential, business, and municipal members across the state of New Hampshire. Its mission is to strengthen New Hampshire’s economy and conserve natural resources by promoting a transition to clean, efficient, and renewable energy.

2. CENH has 320 members, including residential, municipal and business customers that are located in Eversource Energy’s service territory and will be impacted by the proposal outlined in the Petition.

3. Moreover, CENH has a strong interest in renewable energy, energy storage, no-wires alternatives, net metering and grid modernization, all of which could be directly or indirectly impacted by the decisions made in this proceeding.

4. The rights, duties, privileges, immunities and other substantial interests of CENH and its members will be affected by the decisions made in this proceeding. Additionally, those decisions will impact the core issues for which CENH was created to advocate.

5. CENH has participated in many proceedings before the Commission in the past on behalf of its members and clean energy practices and regulation in New Hampshire, and its participation in the proceeding will be in the interest of justice and will not impair the orderly and prompt conduct of this proceeding, nor will it delay the proceedings.

6. Clean Energy New Hampshire respectfully requests that it be granted full intervenor status in this proceeding.

Dated at Littleton, New Hampshire, this 17<sup>th</sup> day of September, 2019.
