PUBLIC SERVICE COMPANY OF NEW HAMPSHIRE d/b/a
EVERSOURCE ENERGY

Rate Recovery of Costs in Excess of the Cumulative Reduction Cap
Under the Power Purchase Agreement with Berlin Station, LLC

Docket No. DE 19-142

PETITION TO INTERVENE OF THE CITY OF BERLIN

The City of Berlin (“**the City**”) hereby requests to intervene in this docket pursuant to RSA 541-A: 32 and Puc §§ 203.02 and 203.17. In support of its Petition, the City says the following:

1. On December 12, 2019, the Public Utilities Commission (“**PUC**”) issued a Supplemental Order of Notice in this matter concerning, inter alia, potential interventions of additional parties with interests in the terms of an amended Power Purchase Agreement (“**PPA**”) between Public Service Company of New Hampshire d/b/a Eversource Energy (“**PSNH**”) and Berlin Station, LLC (“**the Station**”). In that the Station is located in Berlin and the City participated in the original docket DE 10-195 concerning the approval of the original version of the PPA, the City has specific interests in the terms of the amended PPA currently under consideration.
2. Additionally, since the Station is one of the most valuable taxable assets located within the City, the City has specific interests in participating in this process that will impact the ownership and operations of the Station.
3. Accordingly, the City has specific interests in this docket and the City’s interests will be affected by the PUC’s decisions in the docket. Therefore, the City meets the

statutory requirements for intervention and should be made a full intervenor in this proceeding.

WHEREFORE, the City of Berlin requests that the City be made a full intervenor in this docket.

Respectfully submitted,

The City of Berlin
By and through its City Attorney
