**RE: DG 19-145; Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a/ Liberty Utilities  
2019/2020 Winter Period Cost of Gas – December 2019 Monthly COG Adjustment**

Dear Ms. Howland:

On behalf of Liberty Utilities (EnergyNorth Natural Gas) Corp. (the “Company”) and in accordance with New Hampshire Public Utilities Commission (the “Commission”) Order No. 26,306 (October 31, 2019) in Docket No. DG 19-145, I enclose for filing the Company’s (December) calculation of its projected collection of gas costs for the 2019/2020 winter season ending April 30, 2020.

The calculation reflects the estimated November 2019 through April 2020 NYMEX settled forward prices as of November 19, 2019. The resulting projected over collection of approximately \$711,329 is 1.34% of the total revised anticipated gas costs for the 2019/2020 winter season.

Liberty elects not to implement a rate change for the December 1st billing cycle.

The cost of gas rates summarized in the following table reflect the maximum allowed increase for each rate class.

	<b>Cost of Gas Rates</b>		
	<b><u>Current Rate</u></b>	<b><u>Revised Rate</u></b>	<b><u>Change</u></b>
Residential	\$0.6203	\$0.6203	\$0.0000
Commercial/Industrial High Winter Use	\$0.6190	\$0.6190	\$0.0000
Commercial/Industrial Low Winter Use	\$0.6258	\$0.6258	\$0.0000

Please note this report has been filed via the Commission’s Electronic Report Filing System.
