**RE: DG 19-145; Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty Utilities  
2019–2020 Winter Period Cost of Gas – Reconciliation (REVISION)**

Dear Ms. Howland:

On July 31, 2020, Liberty Utilities (EnergyNorth Natural Gas) Corp. (the “Company”) filed its 2019–2020 Winter Period Cost of Gas reconciliation in accordance with Commission Order No. 26,306, dated October 31, 2019, in Docket DG 19-145.

After further review of the Company’s filing, a formula error was found in Schedule 3, which resulted in Firm Transportation Therms to be counted twice. Adjustments were made to correct the formula. I enclose for filing one redacted and one public version of the following corrected pages:

Summary Pages 1–2  
Summary Page 4  
Summary Page 6  
Schedule 3  
Schedule 3A

Please note this correction did not impact the total dollars accounted for in the deferral accounts. This report has been filed via the Commission’s Electronic Report Filing System.

Thank you for your attention to this matter. Please do not hesitate to call if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "C. McNamara", enclosed in a simple oval scribble.
