Re: Lakes Region Water Company

Dear Ms. Howland:

Pursuant to RSA 378, enclosed are the original and six copies of Lakes Region Water Company ("LRWC" or "Company") / Dockham Shores ("Dockham" or "DS") notice of intent to file rate schedules. A copy of the notice of intent to file rate schedules has also been provided to the Office of the Consumer Advocate. The Company estimates that the approximate amount of the proposed change in revenues will be \$39,000 or 90% to Dockham's 61 customers. It is our understanding that the Commission will acknowledge receipt of this notice and that the Company will have 30 – 60 days in which to file its rate schedules.

Also, enclosed is a Motion for Waiver of Rate Case Filing Requirements. The Company requests that the Commission waive certain requirements for a Full Rate Case under Puc 1604.01. The reason for the waiver is noted along with the requested item.

Finally, please add Stephen P. St. Cyr, Justin C. Richardson, Thomas Mason and Leah Valladares to the service list.

If you, the Commissioners and/or the PUC Staff have any question or comments, please call me at 207-423-0215 or email me at stephenpstcyr@yahoo.com.

Sincerely,

A handwritten signature in black ink that reads "Stephen P. St. Cyr".
