RE: Docket No. DW 19-177 – Lakes Region Water Company, Inc. – Dockham Shores Division  
Request for Change in Rates  
Revised Proposed Procedural Schedule

Dear Executive Director Howland:

Pursuant to a Secretarial Letter, dated March 12, 2020, a technical session is scheduled for April 22, 2020, at 10 a.m. for the above-mentioned matter.

Staff of the New Hampshire Public Utilities Commission (Staff) requested scheduling the technical session on that date, in part, in order to give Staff sufficient time to review Lakes Region Water Company, Inc.'s (Lakes Region or the Company) annual report, which was due on March 31.

On March 31, 2020, however, Lakes Region filed a request to extend the annual report submission deadline by 30 days.

In light of such request, both Staff and Lakes Region agreed that the technical session in the above-mentioned docket should be postponed.

Staff and the Company agreed to the following revised procedural schedule:

Technical Session

June 2, 2020 @ 9 a.m.

Staff, on behalf of Lakes Region, requests that the Commission approve the proposed schedule.

Thank you for your attention in this matter.

Sincerely,

A handwritten signature in blue ink, appearing to read "Chris R. Tuomala".
