Re: DW 19-177, Order No. 26,446 Difference between Temporary Rate and Permanent Rates, Rate Case Expenses, and proposed Surcharge.

Dear Executive Director Howland:

Pursuant to Order No. 26,446 dated January 26, 2021, Lakes Region Water Co., Inc., submits herewith its schedules for rate recoupment and recovery of rate case expenses.

Lakes Region proposes a quarterly surcharge of \$76.36 for the recovery of \$37,263.83 over 8 quarters. The Company is providing on Bates page 002 a schedule that combines the temporary / permanent reconciliation amount and the rate case expenditures to total an amount to be recovered and the development of a surcharge to be billed to customers. In support of the Company's proposed surcharge, the Company is also providing the following schedules (Bates pages 003-006) which show the calculations of the temporary / permanent rate reconciliation and rate case expenses. The individual invoices (Bates pages 007-078) are included to support the rate case expenditures requested for recovery pursuant to Puc 1905.02.

If you, the PUC staff and / or other parties have questions and comments, please feel free to contact me.

Sincerely,  
*/s/ Leah Valladares*
