**Re:** Docket No. DE 19-197 Electric and Natural Gas Utilities - Development of a Statewide, Multi-Use Online Energy Data Platform Scoping Comments

Dear Ms. Howland:

Pursuant to the procedural schedule approved, the Commission calls for all parties submit direct testimony on August 12, 2020. The Greentel Group regrets to inform the Commission that Greentel will not be able to meet the deadline due to unforeseen personal circumstances.

We humbly request an extension to file testimony, support OCA's proposal of Monday August 17, 2020 and do not object to such an extension for all parties. Greentel sincerely apologizes for our inability to meet the procedural deadline and make this request with the sole intention of filing the most robust testimony possible to inform the Commission's decision making. Please let me know if you have any questions.

Sincerely,

**Nikhil Balakumar**
