**Re: Docket No. DE 19-197; Electric and Natural Gas Utilities
Development of a Statewide, Multi-use Online Energy Data Platform**

Dear Chairman Goldner:

On January 5, 2023, the Governance Council provided the Commission with the proposed "RFP for the consultant to assist with the RFP process." The Commission's Order Following Status Conference, Order No. 26,701 (Oct. 11, 2022), acknowledged this as a "milestone deliverable" on which the Commission indicated it would "endeavor to provide review and feedback promptly so as not to delay the development process."

The development process has effectively stalled while the Council awaits the Commission's approval of the proposed RFP.

On behalf of the Governance Council, I write to respectfully urge the Commission to provide its feedback, or indicate that it has none, so that the development process may resume without the loss of any more time in the schedule.

Thank you.

Sincerely,
