Re: DW 19-189 Pennichuck East Utility, Inc.
Petition for a License to Construct and Maintain a Water Main
under Locke Lake
PEU-Locke Lake Colony Association Signed Easement Deed

Dear Director Howland:

Enclosed please find for filing, an original and six (6) copies of an easement deed signed by Pennichuck East Utility, Inc. and Locke Lake Colony Association. This grant of an easement was necessary to construct the pipeline underneath the Association's property under Locke Lake. This easement establishes that Pennichuck East Utility, Inc. has obtained the necessary rights from the landowner to construct the pipeline. As with the Association's letter of support, the Company offers this letter to facilitate the Commission's review.

Thank you in advance for your assistance with this filing.

Very Truly Yours,

A handwritten signature in cursive script that reads "Marcia A. Brown".
