Re: DG 20-013, Gas Assistance Program
Northern Accounting of GAP Expenditures

Dear Chair Goldner:

On May 23, 2022, the Commission issued a Procedural Order seeking an update to its review of the Gas Assistance Program ("GAP"). As part of that update, the Commission ordered that the State's gas utilities, including Northern Utilities, Inc. ("Northern"), file: (1) an accounting of GAP expenditures on a monthly basis from November 1, 2020 through April 30, 2022, together with the corresponding gross utility revenues for both winter periods; and (2) a calculation of the GAP expenditures as a percentage of a typical customer bill.

In accordance with the Commission's order, enclosed with this letter, please find the accounting information of Northern in both PDF and Excel format. Page 1 of the enclosed shows the GAP costs as a percentage of total revenue, and page 2 shows the costs as a percentage of an average bill.

Additionally, please add Matthew Fossum, fossumm@unitil.com, to the service list in this proceeding. Please do not hesitate to contact me if you have any questions concerning this filing.

Sincerely,
