**Re: Unitil Energy Systems, Inc.
Docket No. DE 20-039; Compliance Tariff**

Dear Secretary Howland:

On behalf of Unitil Energy Systems, Inc. ("UES"), enclosed by electronic filing only is a copy of the following tariff pages, filed in compliance with NHPUC Order No. 26,347 in the above referenced proceeding. These pages are for effect June 1, 2020.

NHPUC No. 3 – Electricity Delivery, Unitil Energy Systems, Inc.

Sixty-Second Revised Page 6, Summary of Low-Income Electric Assistance Program Discounts

Twenty-Eighth Revised Page 74, Calculation of the Default Service Charge [Non-G1 Class]

Thirty-Ninth Revised Page 75, Calculation of the Default Service Charge [G1 Class]

This filing is intended to replace, in its entirety, the Compliance Tariff filing made by UES on April 14, 2020 in the referenced docket. Upon filing, UES was made aware of an error in its Summary of Low-Income Electric Assistance Program Discounts, tariff page 6. The impact was to a reference under the Tier 2 level, which should be referencing 60% of NH State Median Income rather than the previously approved level of 200% of Federal Poverty Guidelines. This change has no impact on the \$/kWh amounts shown. For ease of review, UES has provided as the last page in this filing, its tariff Page 6 in redline, highlighting the changes.

Thank you for your attention to this matter.

Sincerely,

s/ Karen M. Asbury
