**Re: PETITION OF PUBLIC SERVICE COMPANY OF NEW HAMPSHIRE D/B/A
EVERSOURCE ENERGY FOR LICENSE TO CONSTRUCT AND MAINTAIN
ELECTRIC LINES OVER AND ACROSS PEMIGEWASSET RIVER IN HILL AND
NEW HAMPTON, NEW HAMPSHIRE**

Dear Director Howland:

Enclosed for filing with the Commission please find Public Service Company of New Hampshire d/b/a Eversource Energy's referenced petition and exhibits for a license amendment to cross public waters. Pursuant to the Commission's notice of March 17, 2020, this filing is only being provided by email.

Eversource Energy respectfully requests expedited treatment of this petition in order to accomplish the single structure that is proposed for replacement as the subject of the enclosed petition during an upcoming outage scheduled for April 13th through April 18th. The structure had been scheduled for cross-arm replacement only, but when that work was to commence the pole was deemed unsafe to climb and the scope was changed to full structure replacement and the corresponding last minute need to amend the license.

Eversource requests that the Commission issue an Order *Nisi* with respect to this crossing licenses application.

Should there be any technical questions concerning this filing, they may be directed to Eversource's Jeni Menendez, Environmental Specialist - Licensing and Permitting, who can be reached at 207.841.4692 Email: jeni.Menendez@Eversource.com. Please include the following on the service list on behalf of Eversource Energy: Erik Newman (erik.newman@eversource.com); Melissa Price (Melissa.price@eversource.com); and Jeni Menendez (jeni.menendez@eversouce.com).

Thank you for your assistance. Please let me know if you have any questions.

Sincerely,

Erik Newman
Senior Counsel
