Concord, New Hampshire 03301

**Re: PETITION OF PUBLIC SERVICE COMPANY OF NEW HAMPSHIRE D/B/A
EVERSOURCE ENERGY FOR LICENSE TO CONSTRUCT AND MAINTAIN
ELECTRIC LINES OVER AND ACROSS THE SOUHEGAN RIVER IN
GREENVILLE AND LAND OWNED BY THE STATE OF NEW HAMPSHIRE,
IN MASON AND GREENVILLE, NEW HAMPSHIRE**

Dear Director Howland:

Enclosed for filing with the Commission please find the original and six copies of Public Service Company of New Hampshire d/b/a Eversource Energy's referenced petition for licenses to cross public waters. Pursuant to the Commission's notice of March 17, 2020, this filing is only being provided by email.

At the request of PUC staff, this filing is intended to supersede and consolidate two previously filed petitions: (1) Docket DE 19-113, for 367 Line crossing State owned land in Mason and Greenville; and (2) Docket DE 19-115 for 367 Line crossing Souhegan River in Greenville. Additionally, the engineering drawings that accompanied the two previously filed petitions have been revised to present span data consistent with staff's requests.

Eversource respectfully requests that the Commission issue an Order *Nisi* with respect to this consolidated crossing licenses application.

Should there be any technical questions concerning this filing, they may be directed to Eversource's Jeremy Fennell, Sr. Environmental Specialist, who can be reached at 603-634-3396 / Jeremy.fennell@eversource.com

Please include the following on the service list on behalf of Eversource Energy: Erik Newman (erik.newman@eversource.com); Melissa Price (Melissa.price@eversource.com); and Jeremy Fennell (jeremy.fennell@eversource.com).

Thank you for your assistance. Please let me know if you have any questions.

Sincerely,

A handwritten signature in black ink, appearing to read "Erik Newman".

Erik Newman
Senior Counsel
