PUBLIC UTILITIES COMMISSION

21 S. Fruit St., Suite 10
Concord, N.H. 03301-2429

July 7, 2020

Re: DT 20-068, Sprint Communications Company L.P.
Telecommunications Relay Service
Procedural Schedule

To the Parties:

On June 19, 2020, the Commission held a duly noticed prehearing conference in the above-referenced matter. Appearances were entered by Sprint Communications Company L.P. (Sprint), New Hampshire Telephone Association (NHTA), and Commission Staff (Staff). No petitions to intervene were filed.

Following the prehearing conference, Sprint, NHTA, and Staff, as well as a representative from Northeast Deaf & Hard of Hearing Services, Inc., as a public commenter, met in a technical session and agreed upon the following schedule, which Staff submitted to the Commission by letter dated June 23, 2020:

Staff Data Requests to Sprint	June 26, 2020
Sprint's Responses	July 8, 2020
Staff Recommendation	July 20, 2020

The parties also agreed to sever issues relating to the ongoing administration and oversight of the Telecommunications Relay Service Fund (TRS) from Sprint's request relating to TRS rates and services. They agreed that issues relating to administration and oversight of the TRS would be addressed in a separate docket.

The Commission has determined that the proposed schedule is in the public interest and, therefore, has approved it. For administrative efficiency, the Commission has elected to issue this secretarial letter as its prehearing order. The Commission agrees with the parties that issues relating to the ongoing administration and oversight of the TRS should be severed from this proceeding. These issues will be addressed in a separate proceeding, which will commence with the issuance of an order of notice.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".
