Re: Docket No. DW 20-071 Atkinson Area Waste Water Recycling, Inc.
Request for Change in Rates Proposed Modification of Procedural Schedule

Dear Executive Director Howland:

Pursuant to the approved procedural schedule in the referenced docket, a settlement agreement is to be filed by February 24, 2021, and an early hearing is scheduled for March 4, 2021. The participants in this docket remain committed to moving forward. Nonetheless, terms for a settlement have not been agreed to thus far. Neither are terms likely to be filed on or about the scheduled March hearing date.

As such, Atkinson Area Waste Water Recycling, Inc. (AAWW or the Company) and the Staff of the New Hampshire Public Utilities Commission (Staff) (collectively the participants), agree that more time is needed to allow the participants to meet and reach a prospective settlement, in whole or in part. The participants also agree that the approved procedural schedule needs to be modified.

Accordingly, Staff, on behalf of the Participants, respectfully requests the Commission to suspend the current procedural schedule, and further requests that the following dates in the existing schedule are re-assigned or maintained:

Technical Session	March 4, 2021 at 10 a.m. via Web.Ex
Hearing	June 10, 2021 at 10 a.m. via Web.Ex.

At the proposed March 4 technical session, the Participants will discuss the further procedural requirements of this docket. The Participants will file an additional proposed procedural schedule on or before March 10, 2021. AAWW assents to the relief requested herein.

Pursuant to the Commission's March 17, 2020 secretarial letter filed in this docket, Staff is making an electronic filing without a hard copy equivalent.

Thank you for your attention in this matter. If I can be of further assistance, please do not hesitate to contact me.

Sincerely,

/s/ Mary E. Schwarzer
