RE: Atkinson Area Waste Water Recycling, Inc. - DW 20-071
Substituted filing

Dear Ms. Howland:

After speaking with Staff counsel, Atkinson Area Waste Water Recycling, Inc. files the attached Motion for Confidential Treatment and Protective Order pursuant to Puc 203.08, with documents the company asserts contains confidential information in REDACTED and CONFIDENTIAL form pursuant to Puc 201.04(b) and (c).

The Motion replaces the version filed on August 20, 2020 to correct formatting and citation, reflect the company asserts only one document and not two contain confidential information, and now attach to the motion documents the Company asserts contain confidential information which were incorrectly filed previously without either a 'Redacted' or 'Confidential' designation.

Very truly yours,

Anthony S. Augeri
General Counsel
