**Re: Docket No. DW 20-080
Pennichuck East Utility, Inc. and Town of Salem
Response to Request for Hearing**

Dear Chairwoman Martin:

On August 16, 2021, the New Hampshire Public Utilities Commission (“Commission”) issued Order No. 26,509, an Order *Nisi* Approving Transfer of Service Territory and Assets and to Commence Business. Among other things, the Order *Nisi* provided an opportunity for interested persons to submit comments or request a hearing. Ramos Real Estate, LLC filed a request for a hearing, seeking to expand the service territory transferred by Pennichuck East Utility, Inc. (“PEU”) to the Town of Salem (“Town”). The Town opposes the request.

This response is filed electronically only consistent with the Commission’s March 17, 2020 suspension of the requirement to file paper copies. Copies have been provided to the Office of Consumer Advocate and the service list.

If you have any questions, please do not hesitate to contact me.

Sincerely,

Thomas B. Getz
