Dear Chairman Goldner:

**Re: DG 20-105; Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty  
Compliance Tariff**

On July 27, 2022, the Commission issued Order No. 26,654 approving Liberty's June 1, 2022, recoupment proposal and associated rate change request related to its first step adjustment for effect on August 1, 2022. On April 15, 2022, the Commission issued Order No. 26,611. In this order, the Commission notes that Liberty refers to a Local Distribution Adjustment Clause and that Liberty should revise its tariff language in the future to uniformly refer to the Local Distribution Adjustment Clause as the Local Distribution Adjustment Charge. Included in this filing are the following clean and redlined tariff pages reflecting the approved rates and directives outlined in the above-referenced orders.
