**Re: Docket No. DG 20-105; Liberty Utilities (EnergyNorth Natural Gas) Corp. d/b/a Liberty
Petition for Permanent Rates**

Dear Chairwoman Martin:

Order No. 26,505 (June 30, 2021) directed Liberty "not to collect any revenue requirement associated [with] the first step adjustment until it files a related request with the Commission containing the same level of detail as specified in the Settlement Agreement for the second step increase"

On behalf of Liberty Utilities (EnergyNorth Natural Gas) Corp., d/b/a Liberty, and in compliance with the above language from Order No. 26,505, attached please find the *Supplemental Testimony of Heather M. Tebbetts*, with attachments, in support of the Company's request for the step increase of \$4 million based on certain non-growth capital projects placed in service in 2020, as provided for in the Settlement Agreement.

The Company respectfully requests an effective date of October 1, 2021, for implementation of this step increase, without prejudice to the arguments in the Company's motion for rehearing.
