Please note that AWC intends to file a separate petition, testimony and exhibits for temporary rates in 1 – 2 weeks.

AWC believes that it has met the rate case filing requirements. It is our understanding that the Commissioners will schedule a prehearing conference and technical session to consider motions for intervention and a procedural schedule. AWC also anticipates being able to discuss and resolve any issues that may arise during the proceedings. If the Commissioners and/or its Staff have any questions, please contact me at 207-423-0215.

Sincerely,

Stephen P. St. Cyr
