Re: DW 20-112 Abenaki Water Company
Request for Change in Rates
Procedural Schedule

Dear Ms. Howland:

Staff wishes to update the Commission on the procedural status of the above docketed matter. Following the technical session on April 20, 2021, and the Company's notice to the parties of its intent to be acquired by Aquarion Company, the parties are not in agreement on: 1) the Company's deadline to respond to technical session data requests, or 2) on the development of a further procedural schedule. Staff therefore requests a ten day suspension of the respective April 27th and May 4th deadlines approved by the Commission in its Secretarial Letter dated February 23, 2021. Staff will update the Commission on or before May 14, 2021.

Sincerely,

/s/ Eric Wind
