To Whom it May Concern,

I am writing to express my opposition to the proposed rate hike from HAWC for the Fire hydrants in Hampstead. Frankly, I'm in total disbelief of the 600% increase request. I don't know how an increase of this magnitude can be justified. The financial (budget) impact will be huge. I am requesting that for the sake of Hampstead residents and the town as a whole, that this request be denied.
