Good Afternoon,

My name is Katherine Wood of 19 Wash Pond Road, Hampstead NH. I am writing to you in regards to the rate increase request by Hampstead Area Water Company (HAWC).

HAWC is asking for a massive rate increase of 609.5% for fire hydrant maintenance that I believe is unacceptable. This increase is outrageously high, creates an undue financial burden on towns and their residents. HAWC's debt burdens should not be allowed to be passed onto the tax payer. I ask that the PCU reject this proposed increase.

Regards
