Dear Sir:

After receiving a notice about the water rate increase from HAWC I was amazed at how large it would be. Changing to a 2 tier system will increase my bill a lot. The cost in the second tier is double the rate. This is not right. I am a member of the Little Mill Woods Condo community and many of us are retired and on fixed income. It is difficult enough to keep up with normal utility increases, but this increase is terrible. I am opposed to this outrageous increase and hope something can be done about it.

Thank You  
Roger Marquis
