Hello,

I am a resident of Little Mill Woods Condo complex, 18 Christopher Dr., Sandown, NH 03873.

I am writing to the objection of the water rate increase from the Hamstead Water Service, of 52%. This is a very large increase which I believe will reflect in much higher water bill fees for those who use this service.

I would like to bring this to your attention not to pass this increase as it is too large of an increase for those who have no other choice for water usage.

Thank you for your time.
