Commission Staff Request to Schedule Technical Session

Dear Executive Director Howland:

Commission Staff (Staff) respectfully submits the following request for the Commission to schedule an additional technical session on April 22, 2021 in the above-mentioned matter.

Pursuant to the procedural schedule, approved by Secretarial Letter issued on March 18, 2021, a technical session was held on March 17. The following participants attended that session: Hampstead Area Water Company, Inc.; potential intervenor the Town of Atkinson; potential intervenor Karen Steele, *pro se*; the Office of the Consumer Advocate; and Staff (collectively, the Participants). At the conclusion of that technical session, the Participants agreed to reserve April 22, 2021 at 9 a.m. for an additional technical session, which does not appear on the approved procedural schedule.

On behalf of the Participants, and in light of the additional intervention requests filed since the prior technical session, Staff kindly requests that the Commission schedule an additional technical session for April 22, 2021 at 9 a.m. in the above-mentioned matter.

Thank you in advance for your consideration.

Sincerely,

/s/ Christopher R. Tuomala
