RE: The Hampstead Area Water Company, Inc. - DW 20-117
Request for extension of time to respond to Data Requests – Puc 202.04

Dear Executive Director Howland:

The Hampstead Area Water Company, Inc., requests an Extension of Time pursuant to Puc 202.04 to respond to data requests propounded by Staff and the Town of Hampstead respectively from the current deadline of today, June 3, 2021, to Monday June 6, 2021.

Pursuant to Puc 202.04(b) undersigned counsel contacted both Staff's attorney, Christopher Tuomala, and Ms. Laurie Warnock, Selectman for the Town of Hampstead who signed the cover letter for the Town's data requests, by telephone and electronic mail to gain consent for the extension. Attorney Tuomala gave his consent and Ms. Warnock did not reply.

Pursuant to Puc 202.04(c) this time extension request is made to allow the company's two outside consultants the opportunity to provide input for the data request responses and they both indicated the need for the additional two business days being requested.

If granted, this request will not unduly delay the proceeding or adversely affect the rights of any party or intervenor because it will not alter any other deadlines in the current procedural schedule.

Consistent with the Commission's Temporary Changes in Filing Requirements due to the COVID-19 state of emergency dated March 17, 2020, this request is being filed solely in electronic form.

Very truly yours,

/s/ Anthony S. Augeri
