PUBLIC UTILITIES COMMISSION

21 S. Fruit St., Suite 10
Concord, N.H. 03301-2429

June 8, 2021

Re: DW 20-117, Hampstead Area Water Company, Inc.
Request for Change in Rates
Granting Extension of Deadline to Respond to Data Requests

To the Parties:

By secretarial letter dated March 18, 2021, the Commission approved the parties' procedural schedule, which established a June 3, 2021 deadline for filing responses to the second set of data requests. On June 3, 2021, with Commission Staff's assent, Hampstead Area Water Company, Inc. (HAWC) filed a request to extend this deadline to Monday, June 7, 2021. HAWC filed a second request on June 3, in which it noted that the Town of Hampstead had also assented to the request for extension. No objections to HAWC's request have been filed.

HAWC requested the extension to allow its two outside consultants the additional time they needed to provide input for the data request responses. HAWC maintained that the two-day extension would not unduly delay the proceeding or adversely affect the rights of any party, because it would not change any other deadlines of the current procedural schedule.

The Commission has reviewed HAWC's request, and it has determined that the standards for an extension of time contained in New Hampshire Code of Administrative Rules, Puc 202.04 have been satisfied. Accordingly, the Commission has extended the deadline for responses to the second set of data requests to June 7, 2021.

Sincerely,

A handwritten signature in cursive script that reads "Debra A. Howland".
