Tariff Pages

Dear Chairman Goldner:

Pursuant to PUC Rule 1603, and in follow up to the New Hampshire Department of Energy's Assessment of Annotated Tariff Changes as well as the New Hampshire Public Utilities Commission's letter of non-compliance dated December 16, 2022, The Hampstead Area Water Company, Inc. submits this cover letter with an electronic copy of its tariff pages pursuant to PUC Order No. 26,718, dated December 28, 2022. Additionally, a redline version has been attached. Specifically, in the letter of non-compliance dated December 16, 2022, The Hampstead Area Water Company has made the following corrections:

- The exact amount for the applicable surcharge as approved by Order No. 26,718 has been corrected;
- Customer Classes under "RATES" has been corrected to match Order No. 26,718;
- The effective period of the surcharges has been corrected to match Order No. 26,718;
- The header of the tariff page now is in conformance with Puc 1603.01(b)(1)(c); and
- The redline version has been corrected to reflect that Supplement No. 5 is a new addition to the tariff.

Consistent with the Commission's Temporary Changes in Filing Requirements (March 17, 2020) due to the COVID-19 state of emergency, the Company will not file any paper copies.

Should you have any questions, please don't hesitate to contact me.

Very truly yours,
