RE: The Hampstead Area Water Company, Inc. – DW 20-117
Step 1 - Settlement Agreement Hearing
Intervenor Karen Steele's Request for Continuance

Dear Chairman Goldner:

The New Hampshire Public Utilities Commission rescheduled the hearing in this docket from February 22, 2023 to April 6, 2023. On February 21, 2024, Intervenor Karen Steele filed a request asking that the hearing be rescheduled due to a previously scheduled vacation.

The Hampstead Area Water Company, Inc. does not object to Intervenor Karen Steele's request to continue the hearing for a few days, however if the PUC calendar does not permit a short continuance, we would ask in the alternative that the hearing go forward and Intervenor Karen Steele be permitted to participate remotely.

Consistent with the Commission's Temporary Changes in Filing Requirements (March 17, 2020) due to the COVID-19 state of emergency, the Company will not file any paper copies.

Should you have any questions, please don't hesitate to contact me.

Very truly yours,

/s/ Anthony Augeri
