Tariff Pages pursuant to Order No. 26,809

Dear Chairman Goldner:

Pursuant to PUC Rule 1603, and in follow up to the New Hampshire Department of Energy's Assessment of Annotated Tariff Changes, The Hampstead Area Water Company, Inc. submits this cover letter with an electronic copy of its signed tariff pages pursuant to PUC Order No. 26,809. Additionally, a redline version has been attached. The Hampstead Area Water Company has made the following revisions based upon DOE's review of HAWCs Step I Compliance Tariff:

- The addition of the order number to the footer of the tariff has been added.
- The reference to prior orders authorizing changes in rates has been reinstated.

Consistent with the Commission's Temporary Changes in Filing Requirements (March 17, 2020) due to the COVID-19 state of emergency, the Company will not file any paper copies.

Should you have any questions, please don't hesitate to contact me.

Very truly yours,

/s/ Heidi K. Tombarello
