**MOTION FOR CLARIFICATION**

Pursuant to Puc 203.07, The Hampstead Area Water Company, Inc. (“HAWC” or the “Company”) respectfully moves the New Hampshire Public Utilities Commission (the “Commission”) to clarify its Order for this docket entitled “Order Approving Temporary Rates,” Order No. 26,566, issued January 17, 2022 (the “Order”). On page 1 of the Order, the Commission indicates temporary rates are effective December 15, 2020, but on page 6 the Commission states the temporary rates are effective June 30, 2021. The Settling Parties, consisting of HAWC, the Office of the Consumer Advocate, and the Department of Energy, presented a Settlement Agreement for temporary rates to the Commission seeking temporary rates to be effective June 30, 2021. The Company requests the Commission clarify this apparent discrepancy in the Order.

WHEREFORE, The Hampstead Area Water Company, Inc., respectfully requests the Commission to clarify the effective date for temporary rates in its Order No. 26,566.

Respectfully submitted,

THE HAMPSTEAD AREA WATER COMPANY, INC.
