Dear Ms. Howland:

On October 21, 2020, representatives of Public Service Company of New Hampshire d/b/a Eversource Energy, the Office of the Consumer Advocate, Clean Energy New Hampshire, and Commission Staff met in technical session to further discuss issues relevant to this proceeding such as net metering cost calculation and accounting methods and potential cost recovery mechanisms, including the use of the stranded cost recovery charge for such cost recovery.

The technical session participants agreed that another technical session to further address those issues should be scheduled for November 5, 2020 at 10:00 a.m. Commission Staff, on behalf of the parties, hereby requests that the Commission schedule a remote technical session for November 5, 2020, beginning at 10:00 a.m.

I certify that a copy of this letter will be served electronically on the parties on the service list at the same time it is filed with the Commission.

As permitted by the Commission's March 17, 2020 secretarial letter, Staff is filing this report letter by email only.

Sincerely,

/s/ David K. Wiesner
