**Re: Docket No. DG 20-152; Liberty Utilities (EnergyNorth Natural Gas) Corp.
Keene Division Winter 2020-2021 Cost of Gas**

Dear Ms. Howland:

Order No. 26,480 (May 14, 2021) in the above docket directed Liberty “to work with Staff and the OCA to file a redacted version of Exhibit 23 to disclose to the public all information that is not confidential.” *Id.* at 25.

Liberty provided to Staff and the OCA a version of Exhibit 23 with limited redactions of the confidential material, consisting of third party pricing and customer information. Both Staff and the OCA indicated that the redactions are appropriate.

Therefore, enclosed for filing please find a redacted version and a confidential version of Exhibit 23, which should replace the previously filed Exhibit 23. These versions contain the redactions and shading of the confidential information, respectively, as required by Puc 201.04 and Puc 203.02. The Company respectfully asks the Commission to replace the previously filed Exhibit 23 (which does not have the specific markings given the need to file the document quickly as requested during hearing) with the attached documents. The substance of the exhibit has not changed.

Pursuant to the Commission’s March 17, 2020, secretarial letter, only an electronic version of this filing will be provided. Thank you.

Sincerely,

A handwritten signature in dark ink, appearing to read 'M. Sheehan', with a stylized, cursive flourish at the end.
