**Re: Docket DG 20-154, Northern Utilities, Inc. Annual Cost of Gas and  
Associated Charge Filing**

Dear Director Howland:

Enclosed for filing on behalf of Northern Utilities, Inc. ("Northern") please find an electronic copy of Northern's fourth revised tariff page 62. This page provides the components of Northern's Local Distribution Adjustment Charge ("LDAC") as well the total proposed LDAC charge for each rate class. A redline version of this tariff page is also enclosed. These tariff pages were inadvertently not included in the initial filing submitted September 18, 2020.

If you have any questions or need additional information, please do not hesitate to contact me.

Very truly yours,
