

Comments for 20-156.

Pennichuck East rates are nearly 3 times the Hudson water rate. Hudson gets most of their water from the same wells in Litchfield as Pennichuck East.

Would like to know what would Pennichuck East rates would be if all the towns they service would be separate. Are we in Litchfield subsidizing these other towns?

Town of Hudson pays the same hydrant fee for a lot more hydrants than Litchfield.

Pennichuck East is the primary user of the hydrants
