

As a homeowner and water consumer, I am disheartened to hear of the astronomical pay increase. Why? Please help me understand why, Litchfield's rates will be \$9.42 per unit of water. Hudson pays \$3.30, Merrimack is \$2.32, and Manchester is \$1.64. This is just not fair. As a public school teacher and mother of 2, I shouldn't have to worry about water costs the way I am now. Again, please help me understand this injustice.
