

My wife and I are in our 70s and I live in a over 55 community in litchfield NH and are on a fixed income like many here in litchfield. Increasing the cost of water 20% is going to be a big amount for us to pay, our social security has a small increase but was taking by cost of medical. I, We do not support your 20% increase as it will only hurt those like us please reconsider.... Mr, Mrs Arthur Montminy 19 Carriage Rd Litchfield NH....
