

Good morning!

I hope this email finds you well!

I have been a resident of Litchfield for over 8 years now and have always been in disbelief of how much our small town pays for water.

I don't even know how this is legal!! How do we pay 4 times the amount of surrounding towns??? And now you want to INCREASE our rates by over 21%??

That is absolutely absurd!!!

I am very concerned at this rate increase and hope it doesn't go through!!

Thank you from a very concerned resident!
