

Subject: DW20-156-Litchfield Water Rates

To whom it may concern,

This email is to voice our opposition to the proposed 21 % increase from Pennichuck Water. We are on a fixed income and retired and already pay much more than any surrounding town. We use little water and do not irrigate outside and yet pay over \$40 per month for 2 people. That is ridiculous and a price hike is unreasonable.

Sandra and Peter Ray
