Re: DW 12-109 Pennichuck Water Works, Inc.
Twin Ridge Franchise Expansion for Beede Waste Oil Superfund Site
Motion to Modify Order No. 25,393

Dear Director Howland:

Pursuant to the Commission's temporary filing requirements, attached please find a motion to modify Commission Order No. 25,393. This request is to add one additional lot to the previously approved franchise expansion. Because the original documents are integral to adding one more lot, the Company is filing this as a request in the original 2012 docket. If, procedurally, the Commission prefers to open a new docket, then please let me know and I will file a motion requesting that the Commission take administrative notice of the documents filed in DW 12-109.

Thank you in advance for your assistance.

Very Truly Yours,

A handwritten signature in black ink that reads "Marcia A. Brown".
